Dear Sustaining Member,

The Alabama School Nutrition Association Spring Conference in March was outstanding! With over 700 members in attendance, it was a true success! Outstanding vendor booths, educational sessions, and networking with those in the school business were some of the highlights of the weekend. And of course, a conference like this is possible because of your dedication to our state and the students we serve in Alabama. Thank you for your dedication to the program as a sustaining member. We hope you are able to see the benefits of the association at its best. Also please take time to look at the highlights of the conference at www.alabamasna.org under the conference page or Alabama School Nutrition Association Face Book Page.

As we reflect on this Conference, if you have ideas or suggestions for us, please let us know. We are already planning for next year! So mark you calendar's for March 8-9, 2019 at the Renaissance in Montgomery, Al.

Respectfully,

Jennifer Gilbert
