## Educational Scholarship Application

*Making the right food choices, together.*

### Scholarship Application Guidelines

The Educational Scholarships provided by the Alabama School Nutrition Association was created to assist an Alabama School Nutrition Association employee in the payment of tuition and books whiling furthering their career in an area of Child Nutrition. The scholarship will be awarded to an individual attending one of Alabama’s Junior Colleges or Universities. An individual must provide a completed copy of the application and meet the following guidelines.

Applicants must meet the following guidelines:

- Work in school nutrition for a minimum of one year
- Maintain a current SNA membership
- Be an Alabama resident
- Maintain a “C” average
- Provide receipts for the listed semester or quarter of the applied application (Funds will not be awarded until receipts are provided to the organization.)
